

The wireframe shows a web browser window with a header bar containing three dots and a search bar. The main content area is divided into two columns. The left column contains a series of input fields and labels, represented by dark gray rectangles. The right column contains a series of output fields and labels, also represented by dark gray rectangles. A yellow sticky note is overlaid on the bottom left of the page, containing the text: "WP Potenzial rechner mit eingabefeldern. Ggf. als single loop slider".
